## YORK COUNTY SCIENCE AND ENGINEERING FAIR PROJECT CERTIFICATION FORM

1 of 2 Forms Required For Project Set-up

Saturday, March 2, 2019

Same Location for 2019 – Convention Center in the Main Classroom Building  
9:00 AM to 12:00 Noon

### DIRECTIONS

1. *Read the section below to make sure you comply with the rules.*
2. Set up your board. Leave your paper, logbook and abstract with your board.
3. Enter your title and check the appropriate boxes above. Print this paper and bring to Project Setup in Penn State York Convention Center on Saturday, March 2, 2019 between 9 am and 12 noon. Students must leave the convention center at 12 noon.
4. Set-up project at the table location matching your project number. If you do not know your project number, check at the front doors of the convention center.
5. **WAIT AT PROJECT** to get certified. A YCSEF individual will review and sign this form.
6. After this form is signed, take your project participation form to the front table.

*You are not allowed to walk around the room during Project Set-up.*

*Please note that projects must be removed at the conclusion of the Awards Ceremony*

NOT NEEDED

---

*Student researchers should have your own copy of the required forms (possibly including, but not limited to ISEF Forms 1 – Adult Sponsor, 1A – Student Checklist, Research Plan, 1B – Approval Form)*

**REVIEW THE CHECKLIST BELOW.**

**IT IS TO BE COMPLETED BY AUTHORIZED YCSEF CERTIFIERS**

- 1. Project conforms to maximum size:  
36 inches wide and 30 inches deep for all divisions,  
Project Height is less than 108 inches from the floor.
- 2. Your board does NOT include an abstract.
- 3. Electrical apparatus is properly protected.
- 4. Construction of project is self-supporting.
- 5. No animals or animal tissue are included in exhibit.
- 6. No pathogenic organisms or dangerous chemicals are included in the exhibit.
- 7. Valuable items are secured to project.
- 8. *Do not include your name, the school's name or acknowledgements on your project.*
- 9. No plants, liquids or soils are included.
- 10. If your project is a continuation project, it must include Form 7 as part of the display. Your project should NOT have prior years' written material or visual depictions. Previous years' research contained in notebooks is permitted.
- 11. Photographs have credit lines of origin ("Photography taken by..." or "Image taken from...") including photos from the internet, magazines, journals, etc. If photographs were taken by you, credit yourself, one line prominently displayed on the table in front of the board is sufficient. ("All photographs taken by researcher")
- 12. Graphs and tables must be credited (in the same way photographs are credited), even if they were made by you. ("All graphs and tables made by the researcher.") If you have only photographs, graphs and tables taken / made by yourself, one sign is permissible.
